Driving safely, reliably; achieving our mission!

NACE is actively pursuing people committed to helping us achieve our mission both now and for September 2019. We are praying that God will lead people to us who will help to drive our students to and from school. Bus driving is a beautiful and unique calling. It's also a calling that affords all holidays and summers free. We will train you to fulfill this very important work. Our students and families need you!
