### Niagara Christian Gleaners - Counting our Blessings!

If you are one of many who have been waiting since April to volunteer again at the Gleaners, whether cutting, sorting, or drying produce, we are pleased to inform you that there is no longer an age restriction to volunteer. The total volunteers per day is still set at 50, you must register before coming, and you must be in good health. The help received from the many young people who filled the gap and helped keep our production up during the summer months was a real blessing to us, as the need for nourishment in other areas of the world has grown even greater with the pandemic. On another note, the fundraising and information dinners that we had hoped to host in November are cancelled for this year. In spite of that, we thank the Lord for providing us with the produce, volunteers and donations needed to meet our expenses during this time. NCG deeply appreciates your continued support in helping provide for others from our abundance. For more information visit <https://www.niagaragleaners.org/>

### Congratulations to Dr. Michelle Cline on Your Semi-Retirement!

Michelle has practiced veterinary medicine at Grimsby Animal Hospital for the past 22 years and will now see patients only a couple times a month and occasionally cover for other

veterinarians. We wish her all the best as she makes this transition.

God Bless you!!

### Here are a Few Current Board of Management Updates:

1. Church Boiler and Furnaces are up to date and ready for the winter. Come visit us in our clean, sanitized and perfectly temperate building!
2. Updates are being done on the sound system and computer system in the sanctuary due to current outdated equipment. This will ensure no interruptions during the service and better-quality output in the sanctuary and for our online listeners.
3. Now wrapping up summer maintenance. Thank you to Ian and Diane Park and Neil Allingham for lawn and garden care throughout the Spring, Summer and Fall. Thank you to Carl Crawford for helping maintain the sprinkler system.
4. We are gearing up for snowplow season and making plans for the lot to be properly cleaned when winter arrives.
5. Thank you to Chris Bielec for installing automatic hand sanitizers at all entrances and for attending to many other odds and ends to keep our building in shape.
