

Mission Gem

Centennial Park Baptist Church supports missionaries in several countries with various organizations.

Name: Duane and Carin Guthrie
Children: Caleb and Paige

Organization:
Canadian Baptist Ministries

Location: Manila, Philippines

Ministry: The Guthries will be leaving the mission field in June and departing from CBM in September. They will be very busy wrapping up their work, turning some projects over to partners or colleagues, and finishing some that have come to completion.

This is a time of celebration and a little sadness. They will be on home assignment from mid June to mid September. They are looking forward to seeing as many of their supporting churches as possible. They hope to include Centennial Park Baptist Church.

They ask for prayer during the transition. Pray for Caleb and Paige as they finish high school and apply to universities in British Columbia and Alberta. Pray for the next steps for Duane and Carin. They are confident in God's leading but the path is not yet clear - it is exciting and a little scary.

Our church will continue to support the Guthries while they work for CBM. The Mission Committee will be working with CBM to support another mission endeavour.
